

# CASTELLO DI BORGHESE

## BACKGROUND

Chosen as the best winery on Long Island, editor's choice award by LI Press. As the premier vineyard on Long Island, Castello di Borghese Vineyard has the oldest vines producing some of the finest wines in the region. The Borgheses agree with the age-old winemaker's wisdom, "a good wine is first made in the field", so they tend to their soil with great care. Pinot Noir & Sauvignon Blanc are their signature wines, along with many award winners including Meritage and Chardonnay.

As Marco Borghese, winemaker, chef and co-owner, crafts his elegant wines he stays mindful of the sophisticated wine & food pairings his wife Ann Marie Borghese, co-owner, will create. The terra cotta gallery is typically filled with interesting art, people and food samplings. Old world Tuscany awaits your arrival at the Borghese castle – Castello di Borghese.

## FACTS
